

Item 411 Updates for March, 2011

Data Improvements:

We have completed the initial full Depot scan and added 20,000 items to our non-stocked file! We now have over 68,000 Depot items! Quill is in the queue and will be completed soon. Contact us for access to the non-stocked data. Other major data enhancements are on the near horizon as well. Our goal: 100% match rate!

Updated Help Section
